

# SYDOLOGIE

## DESCRIPTION<sup>1</sup>

Sydologie.ai is a free French platform dedicated to creating educational resources. It allows generating training programs and materials based on targeted objectives and audiences, while complying with European privacy standards.<sup>1</sup>

## FEATURES<sup>1</sup>

- Interactive quiz creation: Generate multiple-choice, true/false, or open-ended questions.
- Personalized training program design: Develop learning pathways adapted to learners' objectives and levels.
- Flashcard creation: Produce memory cards to facilitate revision and learning.
- Script writing for educational videos: Generate scripts usable with tools like Lumen5 or Heygen.
