LALILO

DESCRIPTION[1]

Lalilo is a French web application that offers French and reading exercises adapted to the child's level.

FEATURES[1]

- Automatic exercise adaptation: Adjusts difficulty and content based on each student's level.
- Interactive explanations: Provides tailored explanations when the student makes mistakes.
- Real-time tracking: Analyzes performance and offers pedagogical recommendations.
- Personalized learning paths: Allows teachers to create customized learning paths.

EXAMPLE OF USE[2]

A French teacher recommends the tool to parents to help a student catch up.
